

Directions for Guest Access on SCCC Public Wireless Network

NOTE: These directions are for users that do not currently have credentials provided by SCCC and wish to access the Internet via a wireless connection.

Procedure:

1. Connect to the SCCC-Public network with your device
2. A webpage should automatically launch asking for credentials. If not open a web browser on your device (i.e. – Chrome, Firefox, Safari, Internet Explorer)

NOTE: Steps 3 and 4 are different based on whether you need to create an account or if you are signing back in order to restore connection after the account was already created.

3. If you have already created a guest account enter the email address and password used when the account was created.
